**Junior Membership**

Members can walk the executive course free during the above months. There are times when the course will be closed for tournaments and league play. Juniors can ride with a paying adult on both the executive and regulation courses for \$10.00 anytime on weekdays and after 12pm on the weekends. You must check in at all times at the Pro Shop and show your membership card. Junior members are required to wear collared shirts, appropriate shorts/pants, and footwear.

I understand that as a condition of my child's membership at Boca Dunes Country Club that he/she must adhere to our etiquette program. Our etiquette program will be given to each junior. The junior must read and sign the etiquette program. If a junior fails to comply with the rules he/she will be given one official warning. The second warning will result in a two week suspension. The third warning will result in cancellation of the membership without refund.

**Range Membership**

New for the 2008 Summer Season is our Junior Range Ball membership program. This program allows one junior, up to four siblings, unlimited range ball during the allotted time of May 1 until October 31, 2008.

This is great for the junior playing tournaments throughout the summer and into their respective school golf teams.

_____ <b>Check here for Range membership for one Junior</b>	<b>\$200</b>
<b>Note: SHARED MEMBERSHIPS ARE FOR SIBLINGS ONLY</b>
